Magali Solle

magalisolle92@gmail.com · 1167381098 · Bs. As, Núñez. Portfolio: magalisolle.com

Product Designer with 6+ years of experience designing SaaS, fintech, and digital platforms. Specialized in end-to-end product design, from research and product strategy to wireframes, prototyping, and design systems.

WORK EXPERIENCE

Freelance, Senior Product Designer — Oct 2025/Current

- Designed the MVP experience for an AI-powered web app that turns reading highlights into actionable insights.
- Redesigned and developed a full company website from design to production.

Rootstrap, Product Designer — Mar 2025/Oct 2025

- Dinksmart:
  Designed the 0→1 MVP product experience for a US-based pickleball platform.
  Led the design of a React Native mobile app, ensuring design consistency through close collaboration with developers.
- Go! Coaching:
  Designed a responsive web platform with two distinct user experiences for loan officers and coaches, supporting a B2C coaching model.

Payana, Product Designer — Jan 2024/Jan 2025

- Redesigned key flows for a B2B payments and collections platform through responsive web design.
- Applied user research methods to validate decisions and improve the overall user experience.
- Collaborated on the integration following the acquisition of Higo (Mexico).
- Contributed to the platform's transition into a SaaS product.

IOL Inversiones, Product Designer — Nov 2022/Jan 2024

- Contributed to the transition from IOL to IOL Inversiones, redesigning key investment experiences.
- Designed features for the crypto investment product, helping expand the platform's offering.
- Adapted multiple investment flows from web to mobile app (Cauciones, Simple Portfolio).
- Proposed UX improvements focused on increasing conversion and product adoption.

Gold Media Tech, UX/UI Designer — Aug 2021/Nov 2022

- Redesigned key learning flows for the Playgarden education platform.
- Created UX structures, wireframes, and high-fidelity interfaces for new product features.
- Collaborated closely with developers to ensure accurate implementation.

CODERHOUSE, Tutor UX/UI Design — Sep 2021/Dec 2021

- Mentored students in UX/UI design fundamentals

NORWEGIAN, Flight attendant & Coordinator — Oct 2018/Oct 2020

- Started as a flight attendant and later took on a dual role, splitting my time between cabin crew duties and airport coordination.

LATAM AIRLINES, Check in Agent — Jul 2017/Oct 2018

- Passenger check-in and customer service at the airport counter.

WOBIZ, Web Designer — Feb 2016/Aug 2018

- Designed user interfaces and layouts for a website builder platform similar to Wix.
- Created prototypes, UI components, and information architecture structures.

Governmental Control Agency (AGC), Public Service Representative — Mar 2012/Jul 2017

- Managed flagged administrative files and advised citizens on complex regulatory procedures.
